

# Complaint #15

Filed suit against a private homeowner  
to claim domain names at a cost to HOA of \$1,500

The HOA Board, with a preponderance of Restore Lacamas Shores Team (RLST) members, when elected to the board in 2016 decided to silence their critics by filing a complaint with the World Intellectual Property Organization (WIPO) for domain names.

Explanation and results for that WIPO suit can be found in the “Owners” area of [www.lacamas-shores.com](http://www.lacamas-shores.com).
